Subsequent Paper.

Mr Miller has made application for 200 horses to be imported from South America (Punta Arenas). Mr Pole Evans has evidently made arrangements to ship these horses by S.S. Ofalo to Falkland Islands for Mr Miller.

Mr Evans intends taking a cargo of sheep (on his own account) from San Carlos I. by S.S. Ofalo on her return trip to South America.

I hope to be able to be in San Carlos I. to inspect horses upon arrival & also see sheep shipped.

Mr George Banner telephoning to  
me last night asked me to send a  
message to Mr Evans who is now at  
Port Howard to let him know about the  
Apolo. (3) presumably came from  
his agent in Punta Arenas and  
sent a telegram to Mr Evans.

~~TTTTT~~ 15 Feb. 25-

P. S. I understand from Mr.  
Banner that ~~the~~ <sup>one</sup> result of the cancelling  
of the sailing of the Apolo will be that

Mr. Capt Harding and the hisses  
Fellor Bonner and Langdon will be  
detained for about a month on the  
West Falkland. The afternoon might  
be instructed to call at Port Howard on  
her return from Petble on the present voyage  
and take the passengers to Lahn  
(Carlos Islet?)

19 Feb. 25

H.P.S.

In a recent letter to me Mr. W. Evans told me that  
Auntie ("on her last trip" (which she is now making) might  
call at Stanley New I suppose even if she did so  
she would not go into the sound. Instructions  
can be sent to Petble Island to await afternoon  
or proposed: ~~XXXXXXXXXXXX~~
