Notice is hereby given that the use by the following person of the Brand represented below, for which application has duly been made in accordance with the provisions of section 14 of the Live Stock Ordinance, 1901, is hereby approved :-

Mr Alfred King

Chief Inspector of Stock.

M.P. 70/20.

Port Stephens Station,

West Falkland Island.

21st August, 1920.

Captain B. A. Brown,
Chief Inspector of Stock,
Stanley.

Dear Sir,

I beg to notify you under Section 14 of the
Live Stock Ordinance.

That I would like to, change the Port Stephens
and Port Edgar Stations ear-mark from Square Punch Hole
to Fork.

At present there is only one station on the West
Falkland using the Fork (viz) Port Howard, and that place
is miles from here, and there is no danger of sheep
mixing from the two stations.

I spoke to Mr. Evans the Manager of Port Howard
my intentions, and he had no objections of me doing so.

If this meets with your approval. Would you
please let me know as soon as possible, as I would like
to use it for this coming year.

I remain,

Yours truly,

J. Robertson
For DEAN & COMPANY

September 22.1920

The Hon Colonial Secretary

Enclosed please find a letter from the Manager of Port Stephens Station , West Falklands .

Mr Robertson explained to me the last time I was on the West that he found their old ear-mark was hard to see when drafting sheep, as long as Mr Evans of Port Howard has no objection there is no reason why Mr Robertson should not be allowed to change his mark.

I am

Sir

Your obedient servant

B. Brown

Chief Inspector of Stock
