IMPORTATION OF ANIMALS/REHABILITATION.

(Please note that this list should NOT be regarded as an definite "order". All enquirers still need to know the cost of animals).

- Welsh Pony; 1 Mare (for children to ride) Turner, Rincon Grande.

- f500 per q* Welsh Cob: 1 Stallion 1 Mare *f400 partly broken f250-400* Luxton, Chartres

- Others: The FIC are purchasing a stallion and 6 mares (breed unknown to me at present) and would like to make use of the shipment.

- 2/. SHEEP: Romney Marsh: We have been offered about 100 animals by the Romney Sheep Breeders Society, Geneva, St Mary-in-the-Marsh, Romney Marsh, and this offer has been doubled by the Kent NFU. So far, requests for Romneys have come from Bluff Cove; Miller, Dunnose Head; Teal Inlet and possibly Rincon Grande and Douglas Station. The Total is probably in the region of 25 animals ! However, if we were to accept the first offer I could probably "get rid" of the rest of them.
500 *hurd.*
Others: Other breeds have been mentioned if the Tasmanian offer falls through. I think we ought to stick to Romneys for the time being.

- 3/. CATTLE: Ayrshires: 1 Bull and 15 heifers Molkenbuhr, Murrel Farm (preferably due to calve late September/October)
Up to 30 calves or cows for Malcolm Ashworth (but depends on the situation at the dairy. He may not require any animals)
