With Compliments

Please find attached copies of the Certificate of Management and veterinary details of the Cocker Spaniel and Dachshund sailing on MV-AES this week.

I have received very good reports of these dogs from Spratts (who arranged pre-shipment kenneling) and trust that their new owners will be pleased with them. Should you require any further details regarding any of the animals in the 'Noah's Ark Project' please do not hesitate to contact me.

Dear Neil.

I would like to know who to make the payment to for Peanut, also the amount, as I would like to get everything squared up soon. I forgot to ask you about it when I was in Stanley.

Peanut has settled in fine and everyone thinks he is wonderful.

Hope to hear from you soon.

Yours sincerely.
