MINUTE

From
Director of Agriculture,
STANLEY.

To
The Honourable,
The Colonial Secretary,
STANLEY.

We have just heard from Mr Rowe that the two hives of bees which we commissioned him to procure for us from Montevideo have been donated to the Government by the Uruguayan Department of Agriculture. I think it would be very appropriate if an official recognition of our appreciation of this gift could be sent through the official channel.

We desire another two hives which may arrive on the "Fitzroy" and I understand that Mr Rowe's Agents in Montevideo will endeavour to pay for these last hives.

Director of Agriculture.

PS.
With your permission I propose to acknowledge the Dept's appreciation in a letter to Rowe & request that he convey our thanks to the Hon. Secy of Agric. through the channels through which the bees were obtained. J.G.G.
