Hon. Col. Seay. These rams were landed from the Lopeña
on the 12th November 32, in fair condition. The rams
appeared to be affected by the long journey.

H. Bonner expressed a wish to have
these rams shipped by the Lopeña to
San Carlos about the middle of December.

Provided that the animals are in good
health they could be shipped on this trip leaving
Stanley on or about the 15th December.
