MINUTE.

11th January, 1930

From Veterinary Officer,

To

STANLEY.

THE COLONIAL SECRETARY,

Stanley, Falkland Islands.

I received the following (telephonic) request this morning from the Hon. G. J. Felton that:-

Rams in Quarantine be shipped to Teal Inlet on the 18th Jany. as sailings to Teal Inlet are uncertain after that date.

This request was refused because:-

- (1) The rams would not have completed the Quarantine period of 6 weeks, &
- (2) If this request were granted it might create an undesirable precedent.

Do you Concur?

Shonker.
Veterinary Officer.
