MINUTE.

To

THE COLONIAL SECRETARY,

Stanley, Falkland Islands.

From Director of Public Works,

Stanley.

---

I beg to submit a letter received from Mr. A.P.Hardy regarding the use of part of the Spring paddock in lieu of any reduction in rental of the paddock now hired to him and situated to the South of Brandon Road. The subject of the reduction in rental of paddock for building plots taken in, is dealt with in M.P.266/31.

I see no objection to the arrangement proposed by Mr Hardy. The Spring paddock is not used for collecting water, and the fence requires repairing.

*G. Roberts,*

Director of Public Works.

Public Works Department,

With reference to your letter of the 16th October, 1933, regarding the use of part of the spring paddock in lieu of any reduction in rental of the paddock to the South of Brandon Road now hired to you, I have to inform you that this is approved.

2. The Spring Paddock is to be used for grazing purposes for horses or cattle, and the use of the paddock by you will be subject to termination by either side without cause assigned on three month's notice given in writing.

3. It is noted that you will repair the fence to the Spring Paddock at your own cost.

I am,

Sir,

Your obedient servant,

*C. Roberts.*

Director of Public Works.

Mr A.P.Hardy,

Stanley.
