2. Mr. J. O. McKay was selected by the A.A. as the most suitable person to act as Common Ranger during the absence of Mr. B. Hensler. I fully agreed with that selection.

3. I am not aware what age Mr. McKay is but he is active and a thoroughly trustworthy person. The P.W.D. were employing men 60-65 yrs. The limit is Boys not under 16 and men not over 65 yrs.

4. It seems to me that the matter was entirely over for the A.A. Surely he must be able to select the type of man he considers by experience to be suited for the work he requires.

I would add that Mr. McKay was receiving only £1-10-0 per week. It is doubtful if any members of the League would do the work for that wage.

The reply is that the case being
depends on the nature of the ^{duties required} appointments
and that Mr. McKay was appointed as CR as
he was considered the most suitable person
for the duties of the temporary post

Sir

The members of The F.I. Reform League desire me to reply to your letter N^o 36/37 of 22nd April, regarding W. J. D. W^o Kay being appointed Common Ranger & Pound Keeper.

The members of the League fail to see any economy or advantage gained by this appointment; it is well known that for 23 or 24 years past W^o Kay has made no attempt to seek employment, & no person could be blamed for considering him to be of independent means.

It is considered unfair & unjust to those unemployed men who are genuinely seeking work, to be passed over for a man who evidently does not need it.
