Dear Sir,

My object in writing to you is this, I would like to buy or rent from the Government the seven acres of land to the westward of Mr W. Hutchinson slaughterhouse & which he has been occupying for several years, I would like an answer as soon as possible,

your Obedient-Servant.

J. Miller is intending re starting Hutchinson's Butchery business. The piece of land he wants is part of the Common.

I recommend that it be let to him annually on the same basis as the 3 Dairy men have been let the fields at Canopus, L'Isle Cove, & Short's Paddock.

I have no record. But upon inquiring in the Department
I find my predecessor had an irregular agreement
with Mr. Hutchinson whereby Hutchinson enclosed & had
the use of the piece of the Common; which fences
were to be moved enclosing other pieces when the concentration
of stock improved the range of the first enclosure.
