Yes, but that is wanted is an expression of your opinion as to the suggestion made in the Vice-Consul's letter, viz, that either Mr Goodall or Mr R.S. Deltou should be authorized to sign health certificates accompanying animals shipped from Rio Grande, Tierra del Fuego.

BRITISH VICE CONSULATE,  
PUNTA ARENAS, CHILE.

17th January 1920.

Sir,

I have been approached by the Sociedad Anónima Ganadera y Comercial Menendez Behety of Punta Arenas regarding the granting of Certificates to enable them to land horses in the Falkland Islands.

Previously these horses were shipped in Punta Arenas, but now they are shipped from Rio Grande, Tierra del Fuego, Argentine.

As I know nothing of the conditions in Tierra del Fuego and as the Argentine part is strictly not within this Consular District, it is not possible for me to sign a Certificate as regards disease in Rio Grande.

Under the special circumstances and in view of there being no British Consular Officer in Rio Grande, I have the honour to submit for Your Excellency's consideration that Mr. John Goodall, Manager of the Compañía Frigorífica Argentina, Rio Grande, Tierra del Fuego, should be authorised to sign such certificates.

Mr Goodall is a British Subject having been born at Repton, Derbyshire, on 12th June 1888. A specimen of his signature is attached.

Should this proposal

*British Vice-Consul, Punta Arenas*  
Signature of Mr. John Goodall  
Manager of Compañía Frigorífica Argentina  
at Rio Grande, Tierra del Fuego  
(Argentine Rep)

*JOHN GOODALL*

Should this proposal not be acceptable on the grounds that Mr Goodall is not known to the Falkland Islands' Government, it is submitted that Mr. R.S.Felton, Manager of Estancia Primera Argentina, Rio Grande, be authorised to sign certificates. It is understood that Mr R.S. Felton has resided for some considerable time in the Falkland Islands.

I have the honour to be,

Sir,

Your Excellency's most humble,

obedient servant,

T. B. Willman

British Vice-Consul.

Sir,

I am directed by the Administrator to acknowledge the receipt of your letter of the 17th January on the subject of the issue of certificates for horses shipped to this Colony by the Sociedad Anonima Ganadera y Comercial Menendez Behety of Punta Arenas, and to inform you that in the circumstances Mr R. S. Felton, Manager of Estancia Primera Argentina, Rio Grande, may be authorised to sign such Certificates.

I have the honour to be,

Sir,

Your obedient servant,

(T. H. Colman.)  
for Colonial Secretary.
