disease and is in my opinion fit at the present time to
travel by the mode proposed above

Date 21th October 1983 Signature [Signature] MRCVS
Name and address (in block capitals) J. H. SERGEANT,
SOMERVILLE VET. SURGERY, NORTH ST.,
CAERWYS, MOLD, CLWYD.

- Notes: 1. This certificate does not cover equines,
bovines, ovines, caprines and swine
2. Although many importing countries will
accept the completion and signing of this
certificate by any registered veterinary
surgeon, some countries do require the
certificate to be completed and signed by an
official veterinarian, eg. a Local Veterinary
Inspector. Veterinary surgeons not holding an
LVI appointment should therefore make quite
sure that the holding of such an appointment is
not essential for the signing of any particular
certificate.

2. VETERINARY CERTIFICATE

Export of BORDER COLLIE (animal) to THE FALKLAND ISLANDS (country)
This is to certify that on 24-10-83 (date) at the request of Mr H Glyn Jones, Bwlch Isaf, Bodfari, Denbigh, Clwyd (name and address)
I have examined the above mentioned DOG (species of animal). The animal shows no clinical signs of rabies or other infectious or contagious

Export procedures for dogs, cats
and certain other mammals
Inset 22E(LVIs) Appendix A (Cont'd)

disease and is in my opinion fit at the present time to
travel by the mode proposed above.

Date 24th October 1983 Signature I. H. SergeantMRCVS
Name and address (in block capitals) I. H. SERGEANT,
SOMERVILLE VET SURGERY, NORTH ST.,
CARFARWYS, MOLD, CLWYD,.....

- Notes: 1. This certificate does not cover equines,
bovines, ovines, caprines and swine
2. Although many importing countries will
accept the completion and signing of this
certificate by any registered veterinary
surgeon, some countries do require the
certificate to be completed and signed by an
official veterinarian, eg. a Local Veterinary
Inspector. Veterinary surgeons not holding an
LVI appointment should therefore make quite
sure that the holding of such an appointment is
not essential for the signing of any particular
certificate.

Note: The maximum period prior to export within which
this certificate may be signed in order to meet the
requirements of the importing country will vary from
country to country. In addition it should be
appreciated that the completion of this certificate
does not provide a guarantee that this is the only
document which will be required by the importing
country. Owners are therefore advised in their own
interests to make enquiries in relation to the
above-mentioned matters of the Embassy or appropriate
representative in the United Kingdom of the importing
country or seek the advice of the Ministry of
Agriculture, Fisheries and Food, Hook Rise South,
Tolworth, Surbiton, Surrey KT6 7NF (Telephone No.
01-337 6611).

2. VETERINARY CERTIFICATE

Export of BORDER COLLIE (animal) to THE FALKLAND ISLANDS (country)
This is to certify that on 24.12.83 (date) at the request of MR. H. G. Jones, Bwlch Isaf, Bodfari, Denbigh, Gwynedd (name and address)
I have examined the above mentioned Dog (species of animal). The animal shows no clinical signs of rabies or other infectious or contagious

Export procedures for dogs, cats
and certain other mammals
Inset 22E(LVIs) Appendix A (Cont'd)

disease and is in my opinion fit at the present time to
travel by the mode proposed above.

Date 24th October Signature *Janet Sargent* MRCVS
Name and address (in block capitals) *J. A. SERGEANT,*
SOMERVILLE VET. SURGERA., NORTH ST.,
CAERWYS, MOLD, CLWYD.

- Notes: 1. This certificate does not cover equines,
bovines, ovines, caprines and swine
2. Although many importing countries will
accept the completion and signing of this
certificate by any registered veterinary
surgeon, some countries do require the
certificate to be completed and signed by an
official veterinarian, eg. a Local Veterinary
Inspector. Veterinary surgeons not holding an
LVI appointment should therefore make quite
sure that the holding of such an appointment is
not essential for the signing of any particular
certificate.

Note: The maximum period prior to export within which
this certificate may be signed in order to meet the
requirements of the importing country will vary from
country to country. In addition it should be
appreciated that the completion of this certificate
does not provide a guarantee that this is the only
document which will be required by the importing
country. Owners are therefore advised in their own
interests to make enquiries in relation to the
above-mentioned matters of the Embassy or appropriate
representative in the United Kingdom of the importing
country or seek the advice of the Ministry of
Agriculture, Fisheries and Food, Hook Rise South,
Tolworth, Surbiton, Surrey KT6 7NF (Telephone No.
01-337 6611).

Date 24th October 1983 Signature [Signature] MRCVS
Name and address (in block capitals) T. H. SERGEANT
SOMERVILLE VET. SURGERY, NORTH ST.
CAERWYS, MOLD, CLWYD

- Notes: 1. This certificate does not cover equines,
bovines, ovines, caprines and swine
2. Although many importing countries will
accept the completion and signing of this
certificate by any registered veterinary
surgeon, some countries do require the
certificate to be completed and signed by an
official veterinarian, eg. a Local Veterinary
Inspector. Veterinary surgeons not holding an
LVI appointment should therefore make quite
sure that the holding of such an appointment is
not essential for the signing of any particular
certificate.
