The Honorable

Sir

I have the honor to forward for the information of His Excellency the Governor, the attached application to dip earlier, from H. B. Harding Esq. If His Excellency is willing that the permission be granted, I see no objection.

Sir,

I beg to request permission to commence dipping on the 20th February.

A number of sheep have to be shipped on and off Speedwell Island during the summer, and certain blocks of g land have to be cleared in order to make room for them. All this entails a considerable amount of extra work, and as I desire to proceed to England by the steamer leaving Stanley on the 31st March, and cannot of course do so until dipping is finished, I should be very much obliged if leave to start ten days early could possibly be granted.

I am

Sir,

your obedient servant,

H. C. Harding.

The Chief Inspector of Stock,
Stanley.
