CIVIL ESTABLISHMENT.

OF

FOR THE YEAR

1896

Insert the several Establishments of Government, arranged according to the classification in the Estimates, including every individual employed, with all the particulars specified in the several columns of the Return relative to the nature of their Duties, their Emoluments, Length of Service, &c.

Insert on the next leaf an Alphabetical List of all the Officers, and the Page in which their Office is described.

Under "Remarks" should be explained the nature of the duties performed by those Officers the designation of whose Office does not sufficiently explain the functions attached to them.

The names of permanent holders of offices alone are to be inserted in the columns. If an office has been filled during the year, or any portion of it, by an acting officer, the fact may be noted in the space for "Remarks."

EDUCATION.

In Colonies containing a large number of Schools, it will be sufficient, if no detailed Return of them already exists, to state full particulars of those only which are Government Institutions, giving the total statistics of the others.

The particulars for each School should show whether it is Denominational, and whether fees are charged.

The number of Scholars should be given, both from the total number on the roll, and from the average attendance during the year.

The totals should indicate the aggregate number of children receiving instruction in the Colony.

Some particulars of the Subjects taught in the Higher Schools should be given under the head of Remarks.
