26

D.R.M.

I have gone through the remains of our Policies and tacked together all parts of the current policies, replacements will however be required in three cases only, the passenger contract being intact.

Copies required:-

- | | | |
|----|----------------------------------|---------------|
| 1. | Third party and Legal liability. | 553/69273/58. |
| 2. | Ground and mooring risks. | 553/69272/58. |
| 3. | Pilot insurance. | 553/71906/58. |

22nd May,

59

Gentlemen,

I am directed to refer to the Insurance Policies which have been issued from time to time relating to activities of the Government Air Service and to inform you that all but one of the copies were destroyed in the Secretariat fire. I am therefore to request you to obtain and forward copies of the following policies:-

- | | | |
|-------|---------------------------------|--------------|
| (i) | Third party and Legal liability | 553/69273/58 |
| (ii) | Ground and mooring risks | 553/69272/58 |
| (iii) | Pilot insurance | 553/71906/58 |

6th November,

Gentlemen,

lost in file.

I am directed to refer to your letter 86/271/19 of the 25th January, 1950, and to forward herewith, in triplicate, copies of certified extracts from the flight register of the Government Air Service for the period 1st July, 1959 - 30th September, 1959, showing that insurance premiums amounting to £112. 1s. -6. are due. I am to ask you to be good enough to arrange for this amount to be paid to the underwriters, debiting the account of this Colony in the usual manner.

I am,
Gentlemen,
Your obedient servant,

(Sgd.) J. Bound,

Director of Civil Aviation,
Port Stanley,
14th, December, 1959.

Sir,

I have the honour to report that whilst moored at Saunders Island, the aircraft (VP-FAH) of which I was Captain, received extensive damage to the port float, water rudder and port elevator.

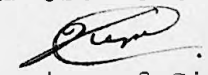

The aircraft was made fast to the Saunders' motor boat and in view of a possible wind change the additional precaution of laying the aircraft anchor was taken.

increased Whilst ashore with the doctor the wind speed rapidly to gale force, an attempt was then made to re-board the aircraft, this attempt was unsuccessful. A second attempt to board was made from a different direction about one hour later this being successful. The time lag was due to having to transfer the dinghy overland by tractor to the new take off point.

During the delay the motor boat dragged her anchor, whilst the aircraft anchor held, the position then was the aircraft being ahead of the boat with the port float riding on the boats' chain, the motion caused by the heavy sea caused the anchor chain to cut through the aircraft float. The elevator was then damaged by repeatedly striking the motor boat canopy.

The aircraft was then beached and picketed down pending the arrival of the engineers, who carried out temporary repairs to enable the aircraft to be flown to Stanley.

I am, Sir,
Your Obedient Servant,

Director of Civil Aviation

The Honourable,
The Acting Colonial Secretary,
Port Stanley.

B.F.S.

47

16th December, 59.

Sir,

I am directed to inform you that on the afternoon of 10th December, 1959, the Government Air Service Beaver Aircraft, Serial No. 1129 registered in Stanley as VP-FAH, was extensively damaged whilst securely moored at Saunders Island.

2. I am further to advise you that a claim for repair costs will be submitted in due course.

48 3. The Crown Agents for Overseas Governments and Administrations who effect insurance on behalf of this Government have been notified of the damage by telegram.

I am,
Sir,
Your obedient servant,

(Sgd) J. Bound.

With further reference to your letter of the 7th May, 1959, and to the Crown Agents' letter of the 19th June, 1959, I am directed to inform you that the sum of £27.9s.7d. (Can \$73.40 @ 2.67 $\frac{1}{8}$) has been received from the De Havilland Aircraft of Canada Ltd., in settlement of your claim No. 2/59 covering the loss of the Governor Serial No. 55205 shipped per the s.s. "Mormac Swan" in September, 1959. This amount will be found credited to the Falkland Islands account for the month of November, 1959.

It will be observed that this settlement is considerably less than the amount claimed of £110 but this question is being pursued with De Havilland and you will be advised of the outcome as soon as possible.

I am, Sir,
Your obedient servant,

The Colonial Secretary,
Stanley,
Falkland Islands.

Sir,

I am directed to acknowledge receipt of your telegram No. 356 of the 16th December concerning damage sustained by Beaver Aircraft VP/FAH and to state that the text of your telegram was duly passed to the Underwriters. It is understood that the Underwriters have requested the Aviation Department of Lloyd's to investigate and to report on the matter on their behalf and they point out that any claim arising on this policy is subject to an excess of 2½% i.e. the first £450 is not recoverable from the Underwriters.

TWILEX No. 24209.

Sir,

Claim No. 2 - Aviation Department

4

I am directed to refer to your letter No.0270/P/IV dated the 7th May, 1959, enclosing the above claim for the loss of contents of one carton No. DHC. 1716 despatched from Canada by Messrs. De Havilland Aircraft.

49

A claim for the missing Governor was sent to Messrs. De Havilland, who it was assumed, would arrange full insurance cover. It has transpired, however, that they insured the Governor only for the cost of repair plus despatch charges instead of for its full value, as was explained in the Crown Agents letter of the 10th December, 1959. In the circumstances, the difference between the amount recovered (£27 9s. 7d.) and the estimated true value of £110, namely £82 10s. 5d. has been refunded from the Marine Insurance Fund as a special measure.

Formal advice of credit to your account is enclosed.

I am, Sir,
Your obedient servant,

FAKLAND ISLANDS.

17th February, 60.

Gentlemen,

54 I am directed to refer to your letter S5/Claims/
Falkland Is. 321/3 of 20th January, 1960, regarding a
claim submitted by this Government for the loss of a
governor and to note the action taken in this respect.
The payment from the Marine Insurance Fund of the dif-
ference between the amount insured by De Havilland's
and the full value of the governor is very much appreci-
ated.

I am,
Gentlemen,
Your obedient servant,

Feb. 68

Hon. Col. Sec.,

I agree with D.C.A.'s views at 51 regarding this matter. The wording of the policy is quite clear - "the Insured shall bear..... the first 2 1/2 % of the value of each and every claim under (D) (Stowed).

I would suggest that the Brown Agents are asked to check the Original policy (if they hold it) and draw the Underwriters' attention to this condition.

H. B.

to Crown

10th May,

60.

Gentlemen,

I am directed to refer to your letter S6/INS/Falkland Islands/02 of the 30th December, 1959, regarding damage sustained by Beaver aircraft VP/FAH and to state that it would appear as if there is some misunderstanding in respect of liability. I am, therefore, to request you to check the original policy and draw the underwriters attention to the condition which states "the assured shall bear..... the first $2\frac{1}{2}\%$ of the value of each and every claim under (D)" (moored).

I am,
Gentlemen,
Your obedient servant,

(sgd) D. R. Morrison

for COLONIAL SECRETARY.

Noted L.Y. It seems to me that the insurance company don't mean to give much away. Any damage we sustain must exceed premium paid before any benefit is forthcoming. I feel that this money would be better deposited in the Colony. To date approx. £7,000 have been "given" this Company, and under present conditions the likelihood of receiving any benefit is "Nil".

Sir,

Flight Risk Contract No. P.13696237

28

I am directed to refer to your letter No. 0270/P/III of the 25th July, 1959, and to state that the Insurance Brokers have been requested to renew the above contract for a further period of twelve months from the 1st July, 1960. It is also mentioned that the cover has been amended slightly by the inclusion of the following clause in the renewal endorsement:-

"Aviation to which this Policy applies shall mean mounting into, travelling in or dismounting from any fully licensed passenger carrying aircraft as a passenger and not as a member of the Crew nor for the purpose of engaging in any trade or technical operation therein."

The intention of this clause is to clarify the position of the crew operating the aircraft, none of whom will be covered by the policy.

It will be appreciated if you will confirm that the Crown Agents' action in renewing the contract meets with your approval.

I am, Sir,
Your obedient servant,

4. MILLBANK.

LONDON. S.W.1.

30th June, 1960

Sir,

Claim for damage to Beaver VPFAH

73.

I am directed to refer to your letter 0270/P/111 of the 10th May and to inform you that the position of the 2 $\frac{1}{2}$ % excess has been taken up with the Underwriters. There appears to be no doubt that from the inception of the insurance the 2 $\frac{1}{2}$ % was intended to refer to the value of the aircraft and that the premium was fixed on this basis. However, they agree that the current year's policy is badly drafted and liable to misinterpretation on this point and, in view of this, they are prepared to settle the claim on the basis of your interpretation of the policy i.e. that the assured shall bear the first 2 $\frac{1}{2}$ % of the value of the claim.

74

As pointed out in the telegram of the 27th June requesting renewal instructions, if the insurance is renewed for a further 12 months from the 30th June, 1960, the policy must be corrected so that the excess when moored is 2 $\frac{1}{2}$ % of the value of the aircraft in respect of each and every claim, which was the Underwriters' original intention.

I am, Sir,

Your obedient servant,

The Colonial Secretary,
Stanley,
Falkland Islands.

Reply at 8.6.60

THE FOLLOWING IS A SUMMARY OF THE
DATE OF THE LETTERS
COURTESY OF THE COMMUNITY

CROWN AGENTS

20/11/1960

20th June, 1960

C. A.

Dear Sir,
Your letter of 14th June is received.

I am directed to refer to your letter of 14th June and to inform you that the position of the
20th June has been taken up with the Underwriters. There
appears to be no doubt that from the inception of the
insurance the 20th was intended to refer to the value
of the aircraft and that the amount was fixed on this
basis. However, they agree that the current year's
policy is badly drafted and liable to misinterpretation
on this point and in view of this they are prepared
to settle the claim on the basis of your interpretation
of the policy. I am sure that the assured will be
pleased to hear of this. Please confirm the value of the
aircraft at the time of the loss.

H.C.S.

Ref 79. I can see no objection to the
inclusion of new clause. Please confirm

As pointed out in the telegram of 14th June, the
renewal instructions, if the insurance is renewed for a
further 12 months from the 30th June, 1960, the policy must
be corrected so that the excess when covered is 20% of the
value of the aircraft at renewal. This has been completed
and submitted through local Lloyd's agents, who
have advised Lloyd's that claim will be submitted
through C.A. as soon as total cost is known.

Grateful if C.A. be requested to proceed with claim
on receipt of invoices & freight charges from Canada.
Our indent 43/60 refers.

28/7/60

A. C. S. ,

Aircraft Insurance.

As the majority of members on S.F.C. are new, the C.S. (Mr Denton-Thompson) wanted the committee to be informed of the risks the aircraft were insured against, in order that they may consider and decide whether Government was adequately covered. The matter was on the last S.F.C. agenda but at the time of the meeting I was unable to trace the figures, supplied by the Crown Agents, for insuring the aircraft during flights. The Chairman advised the Committee that the figures would be sent to members as soon as possible.

The Crown Agents forwarded the details of the cost just after the aircraft capsized at the Moro. I have contacted the D.C.A. who thinks it was approximately £4,500 for each aircraft but he is unable to confirm this amount. The Secretariat file containing the details must have been lost in the fire, if this is so, may the Crown Agents be asked for the required details, please.

A.T.
A. C. T.
23/7/60.

29th July,

60

Gentlemen,

I am directed to forward herewith, in triplicate, extracts from the flight register of the Falkland Islands Government Air Service showing premiums amounting to \$152. -. -. for the period 1st April - 30th June, 1960, and to request you to pay this amount to the underwriters.

2. Please debit the Colony's General Account.

I am,

Gentlemen,

Your obedient servant,

(Sgd.) D.R. Morrison.

3rd August,

60.

Gentlemen,

Flight Contract No. P.13696237

79
I am directed to refer to your letter S6/INS/
Falkland Islands/O1 of 22nd June, 1960, regarding
the above contract and to confirm and thank you
for your action in renewing it. The new clause
in the renewal endorsement has been noted.

I am,

Gentlemen,

Your obedient servant,

(Sgd.) D.R. Morrison

for COLONIAL SECRETARY.

Crown Agents for Oversea Governments and Administrations,
4, Millbank,
LONDON, S.W.1.

3rd August,

60.

Gentlemen,

I am directed to inform you that the question of insuring the Beaver aircraft during flights has been raised and this Government would appreciate information regarding the cost. This information was supplied by you several years ago but unfortunately it was destroyed in the Secretariat fire.

I am,

Gentlemen,

Your obedient servant,

(Sgd.) D.R. Morrison

for COLONIAL SECRETARY.

Agents for Oversea Governments and Administrations,
4, Millbank,
LONDON, S.W.1.

Reply at 99.

4th August,

60.

Gentlemen,

79A

I am directed to refer to your letter S6/INS/Talkland Is./02 of 30th June, regarding a claim for damage to Beaver VPPAH and to note what you say regarding the basis of claims.

2. I am to enclose a copy of a letter from the Local Lloyd's Agent regarding our claim from which it will be seen that the finalized claim would have to be submitted by your office on receipt of particulars from De Havillands. It is assumed that you will have received particulars under reference I/43/60 Regn. W/EML Falkland Islands 8549/1 (P.O.) and I am to request you to submit a claim accordingly. There will also be a freight charge for these items.

I am,
Gentlemen,
Your obedient servant,

(Sgd.) D.R. Morrison

for COLONIAL SECRETARY.

ts for Oversea Governments and Administrations,
Allbank,
LONDON, S.W.1.

The Falkland Islands Comapny, Limited.

STANLEY.

22nd June, 1960.

Aviation Department,
LLOYD'S
London E.C.3-----

Dear Sirs,

Aircraft: Beaver VP-FAH
Assured: Crown Agents for Oversea
Governments and Administrations.
Accident: Saunders Island. 10.12.59.

Further to our letter dated 17th May and in reply to your letter SO/NRW/K.5070.W of 24th May, we have received advice from the local Colonial Government Aviation Service that proforma invoice received from de Haviland exceeds Canadian \$900 with two or three items still on order. This is some \$300 more than estimated on out-dated catalogues.

Freight charges are as yet unknown, as we understand the replacement parts were not due to be despatched from factory before the end of May.

We further understand that the finalized Insurance Claim will be submitted to you direct by Crown Agents in London when all details are to hand.

Yours faithfully,
The Falkland Islands Company Ltd.,

(Sgd.) M.G. Greece

for Lloy's Agent.

c.c. F.I.G.A.S., Stanley.

H.C.S.

In discussions with the D.C.A. to-day, he mentioned the question of insurance on our aircraft. I understand that under the terms of our policies, we always have to pay the first £450 of any damage that may be caused to either aircraft. We pay over £1,100 in premiums, and it would seem better to pay, say, £900 each year into our repairs and renewals fund, and to limit our insurance cover to fire risk in the hangar and to third party cover. You might like to go into this sometime with him.

7th September 1960

AUDIT OFFICE,

STANLEY,

FALKLAND ISLANDS.

19th. September, 1960.

Sir,

re Group Personal Accident Insurance- Air Service.

I have had a look at the above policy and one doubt has come to my mind re the legal validity of the present system of collection of insurance premiums after the flight.

2. In Memorandum 'A' the following definition of a 'Insured Person', shall be deemed to mean the person to whom a coupon in the form agreed, shall have been issued by the Insured.

3. Unless the intending passenger wishes to insure for more than the minimum of a £1,000, no coupon is issued.

4. Memorandum 'K' states inter alia that all passengers (not being members of the crew) travelling in aircraft described below shall be automatically insured in the terms of the policy for a capital sum of £1,000, each passenger, provided that all such flights shall be declared to the insured at monthly intervals and premium shall be paid at the appropriate rate.

5. Although Memorandum 'K' does not state that the premium must be paid before embarking on the aircraft, the normal Insurance practice is of course for the premium to be paid before the Insurance Company will accept the risk. Our practice of billing after the flight may not have occurred to the Insurance Company, as normal Airservice practice is to insist on pre-payment of passenger charges when the insurance premium would also be collected.

6. You will no doubt be able to judge whether the practice of collecting the insurance premium after the flight is satisfactory or not, but I felt that I should put my doubts on the matter, on the file for your consideration.

See 132

I have the honour to be,
Sir,
your obedient servant,

20/9/60

The Governor

Auditor.

DeA

93

*For any comments you may have.
I have an idea this question was
dealt with at the time the Insurance system
was inaugurated but unfortunately the file was
destroyed in the fire*

Sir,

Aircraft Insurance

85
105
I am directed to refer to your letter No. 0270/P/111 of the 3rd August and to enclose herewith for completion proposal forms which will be required by the Underwriters before they quote rates for full cover of the Beaver aircraft.

A rate of 9% was quoted for full cover in March, 1958, but our Insurance Brokers advise that Aviation rates have increased since then and they are doubtful if they could get a rate 9% today but they would hope to get about 10% if the proposal forms are satisfactory.

The Underwriters will particularly require to know if there have been any accidents since they last quoted in March, 1958, and it would be helpful if you could give as much information as possible as to the number of hours during which the aircraft are used during the year or any other information which may help towards getting the lowest possible quotation.

I am, Sir,
Your obedient servant,

2CA

Pe re 99.

We agreed that you would find out the rates and
we would have to pay for the following

- (a) Full ~~cover~~ cover
 - (b) cover as at present but including
rescuing accidents
 - (c) cover only against fire in the hangar.
- so that a final decision could be ~~not~~ made after
comparing all the possibilities.

There is one thing I forgot to mention to you
It was suggested at the S.F.C. meeting that there
must be many people in Canada operating Beavers on
a small scale who would not be properly covered by
premiums mentioned for complete cover as it was
thought but we might try to find out what they did.
I wonder when you have time to ask the
information be obtained from the High Commissioner for Canada.

Dm

11/10/60.

102A

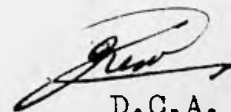

H.C.S.

I regret the delay in completing the proposal form
attached to ecl. 100, this was unavoidable owing to the
absence of Mr Campbell from the Colony, I could not
complete his license and flying details until he returned.

I do not possess the information requested at bracketed
section of proposal form. All correspondence relating to
the purchase of aircraft was carried out from the C.S.O.
Should the relevant file have been destroyed it may be
possible to obtain the cost and dates from Treasury
records.

Unfortunately I have no knowledge of the Aircraft
Insurance schemes in operation in Canada, however I do
not think that the premiums would be any smaller than
that required by Lloyd's, for the same cover.

Draft covering letter to be forwarded with the
proposal form is attached to rear cover.

18th October,

60.

Gentlemen,

I am directed to forward herewith, in triplicate, extracts from the flight register of the Falkland Islands Government Air Service showing insurance premiums amounting to £69. 12. -d. for the period 1st July 1960 to the 30th September 1960, and to request you to pay this amount to the underwriters.

2. Please debit the Colony's General Account.

I am,
Gentlemen,
Your obedient servant,

(Sgd.) D.R. Morrison

Sir,

Insurance Claim - Beaver Aircraft VPFAN

86 I am directed to refer to your letter No. 0270/P/111 of the 4th August and to inform you that details of the cost and freight charges to Montevideo of the spare parts required for the repair of the above aircraft have been extracted from Reqn. W/EMI/Falkland Is. 8549/1. The items concerned were shipped from Montreal to Montevideo in two consignments, the first on the "Sagoland" on 16/5/60 (Case Nos. DHCS 1207/1-3) and the balance on the "Nyland" on 22/6/60 (Case No. DHCS 1350). Please advise what freight charges were paid by you for the final stage of the journey from Montevideo to Port Stanley and also whether any further repair costs were incurred by you which should be included in the claim. If so, receipted accounts covering the repair costs should be forwarded for submission to the Underwriters.

On receipt of your reply, the claim will be submitted for settlement.

I am, Sir,

Your obedient servant,

AJG/

00262

9th November, 60

Gentlemen,

99 I am directed to acknowledge receipt of your letter S6/Ins/
Falkland Islands/02 of the 5th September, 1960, and to forward
completed proposal form in respect of the aircraft operated by
this Government.

2. It would be appreciated if you would be good enough
to enquire the rates for the following coverage:-

- (a) Complete Cover, i.e. In flight, taxiing, ground and
moorings.
- (b) Taxiing, ground and mooring risks
- (c) Fire risks whilst in hangar
- (d) and (b) above to include fire coverage.

3. Since March, 1958 there has been one taxiing accident
and one aircraft damaged at moorings by a motor boat dragging its
moorings and fouling the aircraft with an anchor chain and motor
boat canopy.

4. Aircraft operations are limited to daylight hours under
Visual Flight Rules, and wind speeds not exceeding 20 Knots,
except when urgent medical calls are received then flying may be
carried out in higher wind forces.

5. Owing to local weather conditions and size of population
flying is restricted to approximately 16 days per month and flying
over the past ten years has not exceeded 500 hours per aircraft
per year.

6. The senior pilot has been flying in the Colony for some
six years and the second pilot was part trained locally and has
approximately four years experience of local conditions.

7. I am informed that in Canada there are a considerable
number of small undertakings which operate Beavers and similar air-
craft. It is not understood how such undertakings cover stand
the burden of such high premiums. It was suggested that it might
be possible to ascertain from the Canadian Government whether such
aircraft did in fact usually insure and if so which cover was ob-
tained.

I am,
Gentlemen,
Your obedient servant,
(Sgd.) R. H. D. Manders.

R. D. M.

93 The insurance contract was entered into long before my time and the only thing I am sure of, is that there is an agreement between the Insurance Company and ourselves that a quarterly return of passengers flown be submitted and not monthly as shown on the Policy.

However I feel there must be some agreement on the collection of premia otherwise the system as is would not have gone on for so long.

R. D. M. 21/11/60.

AUDIT OFFICE,
STANLEY,
FALKLAND ISLANDS.

21st. November, 1960.

Sir,

I have the honour to report in accordance with Colonial Regulation 265, that in spite of reminders, both verbal and written, a final reply has not yet been received in respect of Audit Query 12/58/59, issued to the Aviation Department on 16th. March, 1960.

2. A reply is very necessary as the query is in respect of insurance premium on the 'Group Accident Policy', collected during the last quarter 1957, and one sheet of the schedule for the third quarter 1958. The original schedules had been lost by the department and could not be produced for audit. The second copy of the returns which had been put on a Secretariat file, had been lost in the fire. The query therefor necessitated the reconstruction of the schedules for audit examination, and this has not yet been done.

3. I should therefor be grateful if you would be kind enough to take this point up with the Director of Civil Aviation.

Sens

I have the honour to be,
Sir,
your obedient servant,

The Governor
Auditor.

The Hon. Colonial Secretary,
Secretariat,
Stanley.

11/IV 121.

123

1. Re 121 Any information in office?

Do 1/6 not do we insure through F.I.C.?

1/6 to perhaps they would help - the
Conclusion I think.

2 Re 122 Inf DCA Auditor has referred

as in letter 9/122 in terms of compliance
regulation. 265. I should be glad of
his observations.

Assured: Government of the Falkland Islands.
Insured with: Alliance Assurance Co.Ltd.
Policy No. P. 13696237

To additional premium in respect of flights
declared for the period 1st April to
30th June 1960.

Additional Premium

=

£132. 0. 0d

19th December, 60

Gentlemen,

I am directed to inform you that this Government operates an internal passenger air service and policy No. 1396237 of the Alliance Assurance Company is held.

2. The question has been raised regarding the practice which occurs in some cases of the insurance premium being paid after the flight has taken place. Passengers flying into Stanley from camp stations for instance have no facilities for paying insurance premiums prior to the flight and this is paid later when the flight account is settled.

3. Correspondence leading up to arrangements for the flight insurance was destroyed in the Secretariat fire. I am therefore, to request you to make enquiries with the Alliance Assurance Company as to whether the present system is a satisfactory one.

10th January,

61.

Gentlemen,

I am directed to forward herewith, in triplicate, extracts from the flight register of the Falkland Islands Government Air Service showing insurance premiums amounting to £110. 4s. 0d. for the period 1st October, 1960 to the 31st December, 1960, and to request you to pay this amount to the underwriters.

2. Please debit the Colony's General Account.

I am,
Gentlemen,
Your obedient servant,

(Sgd) H. H. Bannard
COLONIAL SECRETARY.

Brown Agents for Oversea Governments and Administrations,
4, Millbank,
LONDON, S.W.1.

BCE 12.1.61(136)

No. 0270/P/III.

It is requested that, in any reference to this memorandum the above number and date should be quoted.

MEMORANDUM.

10th. January, 19 61.

The Honourable,

The Colonial Secretary,

STANLEY.

Director of Civil Aviation.

Stanley, Falkland Islands.

SUBJECT:- Failure to reply to Audit query.

I have the honour to refer to your Memorandum 0270/P/III dated 13th December 1960, and I apologise for the delay in replying to same.

2. A further letter G2/11 was received from the Auditor in reply to my letter of March 22nd. 1960. The subject was then discussed verbally and it was agreed that I total my ledgers on an adding machine and compare the totals with payments made to the Crown Agents. As discrepancies were discovered and it was not possible to pin point the mistakes without a copy of the return I suggested to the Auditor that Crown Agents be requested to return a copy of the return. The Auditor considered this a good idea and I assumed that he would submit the request to London.

3. I further agreed to recompule the missing returns as soon as possible, however during this whole period I have been working understaffed, myself being required to undertake all flying duties for a period of some six months, then a staff change was made, my new clerk has had to be shown most of this departments work by myself, Insurance Returns being one of her duties, the missing returns will be

be completed and forwarded to the Auditor without further delay.

[Signature]
Director of Civil Aviation.

Auditor

144

143 for inf. fl.

[Signature] 18/1/61

② Budget being in 'short' unnecessary. The Govt 18/1/61.

HCS

145.

I received a copy yesterday of one of the schedules & as this does not agree with the amount paid to the Crown Agent, we are not much more forward than before. The DCA has now said he will ask the CA for copies of the many schedules & I must await the arrival of the CA's schedules. I need hardly add that it is the Aviation Department's responsibility to produce the records for audit. As far as para 3 of 143 is concerned the DCA has a long period after the payment of the amount & the delay in clearing the

31st January,

61

Gentlemen,

I am directed to request you to be good enough to obtain copies of the following Passenger Air Insurance returns and forward to this Government:-

Period 1.10.57 to 31.12.57

1. 1.58 to 31. 3.58

1. 7.58 to 30. 9.58

2. The returns requested are required for audit purposes and unfortunately our copies were destroyed in the Secretariat fire.

3. Your assistance in this matter would be greatly appreciated.

I am,

Gentlemen,

Your obedient servant,

(Sgd.) H. L. Bound.

CROWN AGENTS
FOR OVERSEA GOVERNMENTS AND ADMINISTRATIONS

4. MILLBANK.
LONDON, S.W.1.

CONFIDENTIAL SECRET
27 FEB 1961

7th February, 1961.

Sir,

132 I am directed to refer to your letter No. 0270/P/II of the 19th December, 1960, and to confirm that insurance under Policy No. 1396237 is not prejudiced where premiums are paid by passengers after the flight has taken place. The position is that the Insured under the policy is the Government of Falkland Islands and thus so far as the Underwriters are concerned it is to the Government that they look for the payment of premiums. They are not concerned with the system adopted by the Government for collecting premiums from individual passengers as the Government would still be responsible to the Underwriters for the premium even where, for example, recovery of premium could not be made from an insured person in the event of an accident.

Under the policy Insured Persons are defined as "persons to whom a coupon in the form agreed ----- shall have been issued by the Insured ----- and in respect of which person the following particulars shall have been declared to the Insured:-

1. Name of the Insured Person
2. The Capital Sum for which with corresponding Benefits Insurance is required.
3. - etc. "

Thus, while the time of payment of individual premiums is irrelevant to the insurance, it is important that there should be evidence of the intention of individuals to insure before the flight is made e.g. by the completion of a coupon or entry in register, or some equivalent written evidence. If this condition of the policy cannot be met in practice, the Crown Agents will be glad to take the matter up with the Alliance Company with a view to modifying the present terms of the insurance to meet your requirements.

I am, Sir,

Your obedient servant,

F. C. Zee

The Colonial Secretary,

Sir,

Insurance Claim for Beaver Aircraft
VPFAH.

116 I am directed to refer to your letter 0270/P/III of the 15th November 1960, and to inform you that a claim for the total amount of £383 14s. 3d. was lodged with the Underwriters. They have now agreed to settle the claim for this amount less the excess of 2½% i.e. £374 2s. 4d. The Insurance Brokers are proceeding with the collection of this amount and you will be advised further in due course when settlement is actually received.

I am, Sir,
Your obedient servant,

OVERSEA: "CROWN, LONDON."

TELEPHONE: ABBEY 7730

TELEX NO. 24209

Sir,

Aircraft Insurance

115 I am directed to refer to your letter No. 0270/P/III of the 9th November, 1960, and to inform you that the Crown Agents' Insurance Brokers have made extensive enquiries on the London market and the best rate indication that they have been able to obtain for full cover of the Beaver aircraft is as follows:-

Rate 20% with excess of:-

- (1) 5% of the value of the aircraft each and every claim for Flight, Windstorm and Taxi-ing risks.
- (2) 2½% of the value of the aircraft each and every claim for Mooring risks.
- (3) £50 in full each and every claim for the Ground risk when aircraft are out of water.

You will observe that there has been a very considerable increase since the rate of 9% was quoted in March, 1958. Aviation rates in general have tended to increase over the past few years and the Brokers advise that planes on floats have had a particularly bad experience in the market and point out that this is confirmed by the claims experience shown on the proposal form submitted in respect of the Falkland Islands Government Beaver aircraft.

2. With regard to the other rates requested at (b) and (c) of your letter, the Brokers advise that if taxi-ing risks were included with ground and mooring risks the rate would be approximately the same as for the full cover quoted above, i.e. 20%. The reason is that Underwriters consider that the greatest risk of accidents occurs not in actual flight but in landing and take-off and therefore there would be no saving in premiums for cover of taxi-ing apart from actual flight. The rate for ground and mooring risks only under your present policy is 2½%. A rate of 1% is indicated for cover of fire risks whilst in hangar subject to details of the construction of the hangar.

3. With regard to the final paragraph of your letter, you will appreciate from the above that the insurance rates quoted are related in general to the claims experience of float planes and in particular to the claims experience of your Beaver aircraft in the operating conditions of the Falkland Islands as shown on the proposal form completed. As the London insurance market operates on a world wide basis both in direct underwriting and in reinsuring risks underwritten in North America and elsewhere, it was not considered that an approach to the Canadian Government for information on the insurance of Beaver aircraft operating in Canada would yield much result. It is thought likely in the case of

private planes employed in Government service, or providing vital transportation services in remote areas, that either the risk is carried by the Government or the owners receive some form of subsidy to assist in payment of insurance premiums. If, however, you know of any undertaking which operates float planes in conditions comparable with the Falkland Islands the Crown Agents will be glad to approach them for information.

4. The delay in obtaining rates is regretted but the Insurance Brokers wished to obtain sufficient support for the rates indicated to ensure that they would be able to complete cover in the event of a firm order. You will, no doubt, furnish instructions concerning your requirements in due course.

I don't think we ever did write

to C.A.A.

Do so now.

Advising DCA would favor if possible insuring against all
 Hanger risks, not only fire. We should not hastily in absence
 of boardman DCA alter the decision already reached & take
 on a higher premium but we can telegraph to C.A.A.
 in continuation of 137 & ask ~~how~~ much it would cost
 to add all hanger risks not only fire. Better make clear
 that this is ~~NOT~~ the fact but this question is asked does NOT
 alter instructions conveyed by 137
