Dear Mr. Hodson,

Your letter enclosing a programme of your Christmas Tree Party reached me just before I went on leave and I was therefore unable to answer it. Thank-you very much for sending me a copy of the play which I have read and which has given me much pleasure. I only wish I could have been in the Falkland Islands to see the fun. I am sure it must have given great pleasure to the Islanders.

As we have no request for toys this year I presume you are not giving another party just at present. I hope, however, we may have the pleasure of helping you again in this direction.

I wonder what you think of the new stamps; personally I am a little disappointed with the way in which they have been printed and when a reprint is required I am going to have a talk with the contractor and make him produce something better.

With kindest regards.

Yours sincerely,

Harry J. Ward

Dear Mr. Warde,

Many thanks for your letter of the 5th November. You are wrong in thinking I did not give a Christmas Tree Party this year. It was held in July when the evenings are long. It was greatly enjoyed by the children who were delighted with their presents.

I will order the presents for my next party in good time and it is extremely kind of you offering to help me in the same way as before. I cant tell you what an assistance this is. I will send off the list of presents required in due course.

The pantomime was a great success. It has been asked for time and again. In fact its run is not over even yet.

I/

I am writing you a separate letter regarding our new stamps. I agree with you they are disappointing.

We are having atrocious weather here. It is so cold and wet that there is no inducement to stir out of doors. In fact that is on many days almost impossible.

With kindest regards,
Yours sincerely,

CH
