C.S.O. (2)
This appears to be a case under Head VIII, Police & Prisons, subhead 9. On that understanding I approve of the Chief Constable being supplied, as a special case, with coal to supplement the inferior peat with which he has to cook.

Hon Col Secretary

Sir,

I respectfully request, that I may be allowed to have one or two bags of coal from the Government store my peat being so wet, makes it very difficult to get any cooking done.

I am Sir

Your obedient servant
