The Hon. Col. Secy.,
With regard to the alterations to the front entrance to the gaol; I would suggest that the present stone porch be replaced with a glazed porch of about 12' x 7' with 7' outside wall, half glass walls and glass roof. Porch to be placed on plinth, giving floor level 6" lower than floor level of main building. Entrance to be on East side with steps as found necessary.

Estimated cost for whole work (material and labour) £100.

2. This item has been included in the 1923 Estimates under P.W.R.
