The Chief Constable
Port Stanley.

Dear Sir,

I should like to bring to your notice the meritorious conduct of Police Constable Lawler on the night of the 7th inst.

Owing a to light being momentarily visible on the "Globe" store premises, the said Constable made it his duty to revise the exterior of the premises and keep watch until the arrival of the writer.

It was a very foul night and not until one o'clock a.m. that I returned from the s.s. "Oropesa", when I was immediately called upon by Constable Lawler, the suspicious light being thus traced to the flickering of one of the smouldering fires which, owing to the increased draught caused by the high wind prevalent that night, had broken into flames for a few seconds.

I am, dear Sir,
Yours truly,
p. Estate Louis Williams
