Honourable Colonial Secretary.

Please inform the Officer Commanding the Volunteers that the Secretary of State has informed me that it has been impossible in present circumstances to obtain the services of a suitable candidate for appointment of Chief Constable and Instructor of Volunteers, but that on the termination of the war the best candidate available will be selected. In the interval the Secretary of State confidently hopes that the Volunteers will continue to show the same patriotic devotion to their military duties which they displayed during the early months of the war when they deserved well of the Colony.

The Officer Commanding the Volunteers should convey this message from Mr. Secretary Bonar Law to the members of the Force.
