Would you kindly draft? I told the O.A.A. & Q.M.G.
that "compounds" would not be understood & the
suggested alternative wording as follows.
- "camps, buildings, yards, paddocks & other areas
used for storage".

2. The intention is that any civilian having
business in a Protected Area should have permission
either from the Unit Hq. or the Unit Quartermaster
with which he is concerned. I do not know whether
this should be included in the Order or not.
