Dear Sir,

Further to my letter of the 17th inst. as you heard at the meeting at Government House last Monday, I have had most explicit orders from the Force Commander that all Batteries are to be brought to full strength and kept so. As I have not yet been able to reach full strength the question of further releases is impossible.

However, I am as anxious to co-operate now as I have been in the past and I am willing to accept two suitable men in exchange. I am able to do this in this case as the policy at last having (I hope) been settled I am in the process of once again training up new guns' crews and your substitutes could be embodied. I shall be very sorry to lose Jennings and Williams as they are two of my most valuable men, and as usual with good men in the Force, are equally valuable in civil life.

Perhaps you will let me know if we can work on these lines.

Dear Sir,

The Chief Air Raid Warden has asked me to form a Fire Fighting Section of the Force from men who are physically unfit or not normally available, except in an emergency. I am anxious not to disturb any existing organisation and I would be very grateful if you would strike out from the attached list any men, who in an emergency, have a definite job to do as Fire Fighters or Demolition Parties for your Company which of course includes Admiralty premises.

If it is possible to form this Section their training will in no way interfere with their normal vocation.

Dear Mr. Creamer,

I thank you for your confirmation of my inquiry re. lorries for Hospital work during an emergency.

In view of the reorganization of the Civil Defence the paragraph of Standing Orders referred to in your letter has been modified and the lorries should now report at No.1 and No.2 Warden's Posts respectively in the event of an alarm. I would therefore be grateful if you could instruct the drivers of these changes.

Dear Sir,

Please note that any instructions so far issued for our lorries in the event of an Alarm are now countermanded. Should an Alarm sound, the places where they are now to report with their lorries are as follows:-

No. 1 lorry - to A.R.Warden's Post No. 1 (Fitzroy Road, East, at back of Mr. Alec Martin's House).

No. 2 lorry - to A.R.Warden's post No. 2 (Paddock on John Street, behind F.I.C. Manager's house).

Please see that McPhee and Paice are acquainted with this and that any deputies for them are similarly instructed.

Dear Sir,

With reference to your memo. of 3rd December re our lorries, the drivers are unable to accept my instructions as to where they should report in the event of an alarm. They received their original instructions from O.C.Defence Force and they contend that their new instructions should emanate from a duly qualified source.

J.D.Creamer Esq., Falkland Islands Co. Ltd.

Having referred your communication of the 7th. December,
regarding instructions to lorry drivers of the Falkland Island
Company for action in an emergency, to the Colonial Secretary
I am informed that such instructions should now come from
the Head of the Civil Defence and not from O.C. Falkland
Islands Defence Force. I take it that I can communicate
with your lorrydrivers to this effect.

27th January,

3.

Sir,

I have the honour to request that some modification of the system of providing lookouts from Camp personnel be made.

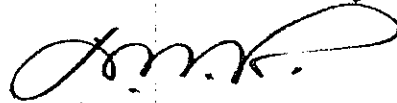

To the layman, the request for one man from three farms may seem little. But shorthanded as the farms are it seems very unreasonable that Farm hands should be taken away for lookout purposes in the middle of shearing.

I suggest the demand for these men be postponed until March when shearing will be over.

I am,

Sir,

Your obedient servant,

Manager,

O.C. F.I. Defence Force,

Stanley.

Headquarters,
F.I.D.F.

4th February, 1943.

Dear *Capt. Roberts.*

Further to my letter of the 19th January, and our subsequent conversations on the subject, it is with great regret that I have to inform you that I have no option but to call up the three men concerned, from the 8th to 13th inst. inclusive. I sincerely trust you will not be too inconvenienced in maintaining your essential work as a result of this.

Yours faithfully,

Rushford.
