The Honourable  
The Colonial Secretary,  
Port Stanley.

Sir,

I beg to inform you that during the 1919-20 whaling season the Norge Whaling Company propose to employ the following three whale-catchers at the South Shetlands, for which a fee of £300 has already been paid to the Crown Agents Landon, i, e+ "BERK", "EIK", and "COMMONWEALTH", and I shall be glad if the names of these three catchers may be inserted on the Whaling Licences.

I shall be glad if permission might be granted for the NORGE WHALING COMPANY to retain the "BOK" (Whale-catcher), at Port Foster as a reserve catcher, to be employed at the South Shetlands in the event of of some misshap or accident happening to any of the above named three licenced whale-catchers. I should be glad if the Customs Officer to be stationed at the South Shetlands might be given authority to grant permission for this Company to use the whale-catcher "BOK" only in the event of such an accident happening to any of the three catchers named in the Whaling Licences.

I remain, Sir,

Your obedient servant.
