Hon:Col:Sec;

I borrowed this M.P., in order that I might be in
a position to know what Whaling Licences had been issued in
respect of the South Shetlands & Graham's Land for the Season
1922-1923, so that I might be able to see that the correct
amount of

amount was duly collected by the Crown Agents.

2. In the Crown Agents Account for January last a sum of £300, is therein credited as having been received from the Norge Whaling Company, (C.A.Lr:No.4 of 5/1/22), which I presume is in payment of Licences Nos: 3 & 3A, please ?

3. Also in the Crown Agents Account for January last a sum of £300, is credited therein as having been received from "N. Bugge" in respect of "fee for whaling licence at South Shetlands".

4. Might I ask whether the last named amount is in payment of the 1921-1922 Season for the "Hvalen Whaling Company" (Licence No 127 C.S.1075/21), or is the amount in question in payment of the 1922-1923 Season, please ?

H. Thompson

Colonial Treasurer.

4th August 1922.

Mr. Treas.

Herewith up 10/5/22

As I understand, the £300 from the Norge Whaling Company is in payment of licences for 1921/22. I gather this from the fact of its having appeared in the January accounts where is the letter asking the C.A. to collect the fees for licences 3 and 3A was sent in May.

③ The £300 from the Hvalen Coy. was certainly in payment for 1921/22 fees. As you will observe from

The correspondence the 'CA' appears to have received the money in October and not credited it until January. They may have done the same with the large fees.

Htttl 12/18/22

Hon:Col:Sec;

Thanks. From the correspondence, it appears to me that the Colonial Office received a cheque for £300 from the Hvalen Co in October 1921, in payment of Whaling Licences Nos 127 & 102 S, for the 1921-1922 Season, but did not hand the cheque over to the Crown Agents until January 1922, and therefore it seems to me to be quite clear now that that £300, was in payment of fees for the 1921-1922 Season.

2. With regard to the £300 received by the Crown Agents in January 1922, I shall be glad if you will kindly let me know what licences this amount is in payment for, if for the 1921-1922 Season, as stated in paras: 1 & 2 of your minute above, please ??

3. The fees (£300) payable by the Norge Co for licences Nos 121 & 97 S, for the 1921-1922 Season, would appear from C.S. 213/21, to have been received by the Crown Agents in January 1921, if the note I made regarding this payment, was correct.

4. In their Account for January 1922, the Crown Agents refer to their letter No. 4 of 5/1/22, which may possibly explain the matter, please.

You are right. The £300 was received by the CA. in Dec. ~~and~~ ^{from the large by} and credited in January ~~was~~ for 1922/23 fees. It should be noted as in respect of licences B and 3A

H. Inca.

I have no doubt that the additional £3 was paid by reason of the demand made for + 1% for sums payable in the Colony. As these licence fees are now payable in London no permitance charge was due and the £3 will have to be repaid. Can you keep it in deposit pending the general adjustment?

T. H. 16/10/22

Hon:Col:Sec;

Thanks Noted.

2. The additional £3, would seem to have been collected by the Crown Agents from the Odd Whaling Co, in accordance with the instructions contained in para:2 of C.S.Lr:70/22 of 21/5/22, in which case there will be other similar sums collected from the other whaling Companies operating at the South Shetlands; the instructions were also repeated in C.S.Lr:70/22 of 23/6/22, in connection with the Souther Whaling & Sealing Co, please.
