The Crown Agents a/c's show that the whole of the Remittance rate on Export duties on Whale Oil has been transferred to the Dependencies Research Fund in addition to the full amount of duty collected in each case. Authority for transfer is quoted in their a/c's as S. of S. Desp: to Governor of 24th March 1921 (Confidential). May I see that despatch or a copy thereof.

} G.O.C. 16/21

Hon. Col. Secty.

In March and April the C.A's received the following amounts:-

<u>Whale Oil</u>	£31098--0--3	
	<u>17638-15--0</u>	£48,736--15--3
<u>Remittance Rate.</u>	£823-18-10	
	<u>529--3--2</u>	£,353---2--0
<u>Cost of telegrams</u>	£8--8--9	
	<u>10-12--6</u>	19---1--3
		<hr/>
	Total-1	£50,108--18--6

In April the Crown Agents transferred the following sums to the Dependencies Research Fund a/c:-

Whale oil duty &c.	£50,108--18--6
Interest on deposit a/c	181---7--5
Withdrawn from deposit	<u>6,094---5--7</u>
	<hr/>
Total....	£56,384--11--6

2. It is not clearly understood what the item of £6,094--5--7 represents and I should be glad if I might see the papers dealing with instructions issued by the S. of S. to the C.A's relative to the Dependencies Research Fund

3. I note that the whole of the duty on Whale oil is transferred to the Research Fund, the original proportion of 3½d per barrel is apparently not now allowed the Colony.

Augt 17th 1921.
