CURRENT SEASON BONARLAW.

Munitions Minister represents that it is of urgent national
importance to increase output of best qualities whaleoil suitable
for manufacture of glycerine. Propose therefore to grant
additional licences to British Firms for next season. Request
you will relax regulation as to the utilisation of whole
carcase towing and buoying as far as you may judge necessary
to increase output during current season

Bonarlaw.

Hon. Col. Sec.

The Secretary of State has informed me by telegram that he proposes to grant additional whaling licences to British Firms for next season and requests me to relax as far as I may judge necessary to increase the output of whale oil during current season, the regulations as to the utilisation of the whole carcase, towing and buoing of whales.

Please inform Treasurer and request him to instruct the Deputy Collectors accordingly.

Governor.
