PARIS November 9<sup>th</sup> 1927

To His Excellency the  
Governor of the Falkland Islands,

Your Excellency,

I have the honour to ask you for the  
time tables of your steamer's lines "Discovery"  
and "William Scoresby", also the duration  
of the trips.

These informations are intended to  
our Post office.

I thank in advance, and I have  
the honour to be

Yours Excellency's very obedient servant

Paul Bachmann  
Director.

8th January,

28.

Sir,

With reference to your letter of the 9th of November, 1927, requesting to be furnished with timetables in connection with the sailings of the R. R. S. 'Discovery' and the R. R. S. 'William Scoresby', I am directed by the Governor to inform you that as these ships are in commission solely for the purposes of scientific research in the Dependencies of this Colony, it is not possible to furnish you in advance with any definite information regarding their movements. Later, however, if their movements are definitely decided we will inform you.

I am,

Sir,

Your obedient servant,

*WJ*  
Colonial Secretary.
