FALKLAND ISLANDS

NO. 82

Downing Street,

26 July, 1916.

Sir,

I have the honour to acknowledge the receipt of your despatch No. 89 of 27th May, relative to the mineral specimens from the Falkland Islands referred to therein, and to inform you that the specimen in question has now been examined at the Imperial Institute and found to consist of pyritic slate of no commercial value.

2. Enquiries are being pursued with regard to the specimens forwarded to this country in 1844.

I have the honour to be,

Sir,

Your most obedient,

humble Servant,

A. Bonar Law

GOVERNOR

W.D. YOUNG, ESQ., C.M.G.,

&c., &c., &c.

365/16.

S/S No. 82 of 26.7.16.

Honourable Colonial Secretary,

With reference to your No. 458/16
the mineral specimen in question has been
examined at the Imperial Institute and found to
consist of pyritic slate of no commercial value.

Please inform Mr. W. A. Harding, also
Mr. Arthur Porter of Jason Island, interested.

Douglas Young
Governor.

7th September, 1916.
