I find that lawn grass seed suitable for sowing on the site of the old Quarters and other broken areas in Government Roadside can be obtained locally.

In conversation with Mr. Buckley on this matter, Mr. Buckley suggested sowing grass seed on the old Quarters site.

As I have authority to carry out this work. The cost of a bag 20 lbs mixed lawn grass seed is £1. 16. 8.

Yours,

Y. O. 31. 10. 30.
