M.P. 110/21.

Hon. Col. Secty.

Notice of marriage submitted herewith. Applicant Robert Yates appeared before me and I filled in necessary particulars in the form but as the other party to the marriage was under age I informed applicant that he would have to get her parents consent and then sign the form before a Justice of the Peace. The form appears to have been signed by Mr. T.G. Slaughter J.P. instead of Robert Yates the proper declarant. Mr. Slaughter informed me that applicant had appeared before him and declared to the truth of the particulars in the form but apparently through an oversight Mr. Slaughter signed the declaration instead of Robert Yates.

2. I am personally satisfied that the necessary particulars are correct and that there is no impediment or lawful objection to the marriage of the parties concerned.

3. If approved, I beg to request that a special marriage license may be issued. The requisite fee of £3 has been paid on receipt No. 3304 of this days date.
