Death of James Merryn.

Arrangements are being made by the P.W.D. for the interment of James Merryn.

I should be ^{glad} to know to what vote the expenses may be charged.

Port Stanley

August 16th 1926.

Sir:-

On looking over the Cemetery accounts I find that the interment of the late James Marron who died on the 27th March 1922 is still unpaid.

The above was an inmate of the King Edward Memorial Hospital, for some considerable period, being a pauper.

I would be pleased to learn if the Government would consider the settlement of the amount outstanding of One pound for the above service

I am, Sir

Your obedient servant

H. J. Lawrence

Hon Secretary

Stanley Cemetery Trustees.

Hon

Colonial Secretary.

This sum will be paid to you on application at the Treasury.

I am,

Sir,

Your obedient servant,

for Colonial Secretary.
