I am informed by the Prime Minister (in the absence of the Secretary of State for Foreign Affairs) that the Danish Government wish to bestow the decoration of Chevalier of the Order of the Dannebrog upon Mr. Christian Andreassen, a British Subject living in the Falkland Islands, in recognition of his services to Danish seamen and to the masters and owners of Danish ships calling at Port Stanley.

The case is one which could be submitted to The Queen for the grant of restricted permission to wear the decoration offered.

Just a short line to ask you to let H.E. know with what very great pleasure all of us here learned of the Award to Murdo Morrison.

Such a recognition of a lifetime of valuable service to our only industry by a man of exemplary character must surely have an excellent effect throughout the camp and be an encouragement to others. I am personally most grateful that it was found possible to obtain it.

Dear Sir Anthony,

We were all delighted to hear of your knighthood and send you our heartiest congratulations. I hope it will not be too long before you are here again and we are able to congratulate you personally.

As you may have heard the lambing figures were encouraging and we are all very much keeping our fingers crossed for the first wool sales. Unless there is a marked improvement I can see a difficult year or so ahead of us.

Everybody here is in good heart and the slightly better weather we have been having since Christmas has done us all a lot of good.

Yours sincerely and with all

You will be hearing in due course about the investiture ceremony but this may be some time ahead as it is usually a period of weeks or months before we receive the medal.

You will remember that we don't get citations, but we do get Grants of Dignity or Warrants of Appointment - usually some time after we get the medal.

I understand, however, and this has been confirmed by enquiries from other soldiers; Grants of Dignity are apparently not issued for anything smaller than M.B.E.

This means that we shall have to concoct something along the lines of whereas - whereas Mervin Morrison has rendered 4 years of distinguished service to the farming industry, H.M. has been graciously pleased etc. etc. etc.

I understood too that a bar to Tart's Polar Medal has arrived and is with you. He would perhaps get his bar at the same time.
