Dear Sir,

I have pleasure in informing you that we are again able to offer a presentation of books to the value of £100 to the Stanley Public Library. We should be grateful if you could arrange for a list of the library's requirements to be forwarded to us as soon as is convenient to you.

The list should total about £150 at price list as we obtain discount on books we purchase, and in any case there is a chance that some of the books requested may be unobtainable.

I am,

Sir,

Sir,

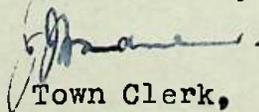

The Librarian of the Town Library has reported to me that there is no copy of the Falkland Islands Ordinances in the Library and has suggested that it would be of considerable assistance to the public if a copy were available for consultation during the normal Library hours.

2. At present there is a copy available in the Registrar's Office but this is available only during normal hours of office opening.

3. It is suggested that a copy should be held in the Library, for perusal in the Library only and it is requested that a copy be made available for this purpose, if necessary, on repayment.

Dear Miss Biggs,

I have ascertained that there is a grant of £95.0.0d from the Government towards the cost of the books for the Library. This covers the year 1957/1958.

2. It seems that the Town Council must order and pay for the books and that the Government will reimburse the T/C on production of their receipts.

3. Perhaps you would be good enough to compile a list of books which you recommend for purchase. It may be as well to exceed the £95.0.0d in case some books are not available. A second selection can always be used by the suppliers.

Yours faithfully,

Town Clerk.

Miss Madge Biggs M.B.E, as asked me to thank you very much indeed, for your donation of books to our Library.

The highest measure of appreciation I can offer, is to tell you that with the exception of one book, I have not had an opportunity of looking at them, as they are already out in circulation.

Nevertheless, please allow me to add my personal thanks to those of Miss Biggs, and an expression of gratitude from and on behalf of all members of the Stanley Town Council, for your kind contribution.

Dear Mr Hirtle,

We have received a large number of Detective Stories kindly donated by you to our Library, and Miss Madge Biggs M.B.E. as asked me to tell you how grateful she is, for this generous contribution.

I am only too pleased to extend my appreciation and those of the members of the Stanley Town Council, for your gesture, which will be welcome to all who visit our reading room.

I trust Wallace, you will agree with me that considering the size and population of the Falkland Is. and among many of the good things we do have, we can include as an outstanding example an excellent Public Library.

Unfortunately we cannot allot anywhere near the sum of money we would like to, for the purchase of new books etc, and it is for this reason that voluntary contributions like yours, are doubly welcome.

Mr W. Hirtle,  
Stanley.

Yours sincerely,

Our Librarian Miss M<sup>rs</sup> M<sup>rs</sup> Higgs, M.B.E. as asked me to thank you for your donation of books, and for which she is extremely grateful.

I have seen these books, and was pleasantly surprised at the perfect condition in which they have been kept.

They are so ideally suitable for young boys, that I have no doubt that our younger readers who use the Library, will appreciate them very much.

On a more personal note may I tell you Irene, that we have been exceptionally lucky this year with regard to voluntary contributions, and your kindness will add yet another debt of gratitude that we owe to the public in Stanley.

In addition to the expression of thanks of our Librarian, please allow me also to thank you very much indeed for your generous gesture, on behalf of Council, and myself.

Dear Sir,

We thank you for your letter of 17th. February, and are pleased to learn that you have arranged for a Money Order value £20.13. 4. to be forwarded to us to cover the renewal of your various subscriptions.

We would however point out that the amount which you have allowed for the subscriptions is apparently based on our last charge to you, and there is a slight difference in the charge for 1960. If you will refer to our Invoice No. 1245 of 12th. January, you will observe that the total is £22.8.8. and not £21. 8. 2. as last year.

The Money Order for £20.13. 4. is therefore £1. 0. 6. short of the amount required, and we trust that you will arrange for a further remittance to clear this small sum at your convenience.

Yours faithfully,  
HUBERT WILSON LIMITED.
