Hon Treasurer.

I send these papers for your
perusal as Mr James Houston, the Agent
of the F. I. Transport Coy: contradicted me
a few days ago in your office, when I
said that I thought he had asked for
permission to send the S. S. "Falkland" to
Monte Video after the arrival at Port Stanley
of the S. S. "Kenuta"

Mr Houston said that he had
asked to send the Falkland after the
arrival here of the S. S. "Sorata" and not
the "Kenuta".

The Agents letter of the 26 June
makes no mention of the "Sorata" but
names the "Kenuta" -

Honble Col. Secty,

Papers read. I recollect being told some time ago that the Agents F.I. Transport Co, had asked permission to send the s.s. "Falkland" to Monte Video after the arrival at this Port of the s.s. "Kenuta", not after the arrival of the s.s. "Sorata". The Agents letter of the 26th June confirms this.

Sir,

The owners of the s.s. "Falkland" are desirous of sending that vessel to Montevideo towards the end of August or beginning of September to go into drydock for repairs and to undergo her No. 3 Survey. At the moment it is not certain when the drydock will be available, but I shall be glad to learn if His Excellency the Governor will sanction my sending her at any time after the arrival of the "Kenuta", if convenient to the Government.

I am, Sir,

Your obedient servant,

Agent.

She should, therefore, reach Montevideo in good time to catch any sailing from that port about mid September.
