Sir,
I beg to inform you that I am not able to report incoming vessels out of office hours to the Honourable, W. A. Thompson. The R.M.S. Bogata and the S.S. Falkland passed in but I was not able to report to the collector of customs, and I have written orders that I am to do so from the Governor. I should feel very thankful to you Sir for your advice and instructions, just say on the Telephone, please do so and so.

I am
