1913

Increase in tonnage of shipping as against 1912 was 27.8 or 54554 tons more. All of the sailing vessels were foreign. 41.8 of the steamships were British. This includes 32 of the P.S.N. Co line. Only two sailing vessels entered in distress, ie. Lady Elizabeth & the Wynaford. The former was condemned and dismantled, the ~~former~~ latter arrived on 22 May and cleared on 30th June, 1913.

During the year the year the H.M.S Glasgow came in for 23 days

The Rio Gallegos, Chile, also entered twice and attempted to salve cargo of Oravia – which was lost off the Light-but without success.
