H.S. / G.M. C103/16 to withdraw.

I must confess I do not see how we stand in all these arrangements. We are not even told how much the Sandefjord Co. is paying Salvesen for this licence. There is, further, no paper dealing with the grant of the extra whalers (20?) to Salvesen at half price - the whalers he is now disposing of at his own price to the other companies - Salvesen has not, as far as I know, paid us for the whalers nor has he received

received extra licences through this office.  
The Treasurer has not been informed of  
the licence money due from Salvesen.

The last open paper about extra  
whalers for the Sandefjord Co.  
is C.S. 349/16 - but these were  
whalers granted by us direct.
