Gentlemen,

Ocean Whaling Company.

We are in receipt of your esteemed favor of the 6th instant, and beg to reply that the licence for the third whale catcher has been paid locally through Messrs Salvesen & Co., Leith. This was for the season 1918-1919.

2. The application for the renewal of the licence was meant for the season 1919-1920, and would be greatly obliged if this could be taken under consideration.

Messrs Nielsen should, however, be warned that it is unlikely that the licence will be further renewed.
