FALKLAND ISLANDS.

No. 112

Government House, Stanley.

13th September, 1915.

Sir,

I have the honour to transmit herewith a copy of a telegram received from Messrs Chr Nielsen and Company, asking to be allowed to use a third whale catcher for their station at South Georgia, and to confirm my telegram of to-day recommending the Company's application.

2. As ~~the~~ other whaling Companies at South Georgia have recently been granted the use of a third whaler for the season 1915-16, see Mr. Secretary Harcourt's despatch No. 68 of 16th May it appears to me to be equitable to allow the "Ocean" Company to enjoy a like privilege on payment of an additional licence fee of £100.

I have the honour to be,

Sir,

Your most obedient,

humble servant,

*Douglas Young*  
Governor.

THE RIGHT HONOURABLE

THE SECRETARY OF STATE FOR THE COLONIES.

Telegram received on the 7th September, 1915.

All our competitors South Georgia have three or more whalers, and we are the only Company who have only two whale steamers.
