[When enquiry was first made about the W.A.A. films I was informed
that they were not altogether suitable for Educational purposes.
Further Missions had so great difficulty in obtaining films, that I
asked for them to help him. I hope he understands that
he is welcome to make use of them in any he can & that they
were not intended solely for exhibitions which he arranges for children
if you have an opportunity of speaking to Fr. Megone perhaps
you would be so good as to explain this.]

Stanley, March 28th., 1920.

Dear Sir,

I intend to have a Free Educational Cinema Show on Friday the 8th of April. Dr. Dean has kindly consented to explain some of the pictures to the children, and if His Excel. the Governor will honour us with his presence, the Show shall be undoubtedly more appreciated. If he gives his consent I shall be greatly obliged by him having printed in the Gov. printing office, about a dozen copies of the enclosed notice, window bills, stating in it that he will be present or patronize the Show. I am willing to pay the expences if necessary.

Yours faithfully,

Mario Ruiz Urdaneta

H.P.S.

I have written to *Gilda Negrone* to say that I shall be very glad that Exhibition should be under my patronage & that I shall make a point of being present.

2. The notices can be printed in Govt
